THE UNITED EDUCATION PROFESSION SYMBOL

The arrow represents the forward thrust of Education.

For the ancient Greek Word for Education and a non-ending, non-repeating mathematical concept.

The spherical triangle represents the profession's three-fold purpose; to promote the cause of Education, advance the interest of the teaching profession and serve you at all levels — local, county, state and national.

In short, Education moving forward through a never-ending, ever-changing pattern with you, for you and by you.

WEAR IT WITH PRIDE!!
